

# 3-SEMESTER THESIS TIMELINE

## What is the Proposal?

The Thesis Proposal is a planning document produced by the student, in consultation with the student's Primary Thesis Advisor.

Your Primary Advisor is selected from full-time Media Studies faculty.

5-10 Pages

Your proposal must go through a Proposal Review Meeting for approval.

## What is Tutorial Lab?

This is a workshop-type class in which students will conduct research, produce first drafts, do their shooting, etc., while giving progress reports and receiving feedback on their thesis.

Tutorial Lab meets every other week.

Taken **after** your Proposal is approved

Students select their Second Reviewer (Full-time or part-time faculty) during the Tutorial phase.

\*Tutorial Lab cannot occur in Summer

## What is Supervision?

Students should register for one credit of Thesis Supervision in each semester **subsequent** to the Tutorial Lab.

Take this time to work with your Primary Thesis Advisor and Second Reviewer on your approved thesis.

You must register for one semester of Supervision but **no more than two**.
